| Montgomery Baptist (MON2 & MON4)               | Open                 | Montgomery Baptist employees who reside outside Montgomery, Elmore, Autauga, Lowndes, Butler, Crenshaw, Pike, Bullock, Macon, and Jefferson counties have access to the entire VIVA HEALTH network (MON2 benefit package- same benefits as MONT but with an open access network).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |           |               |           |             |              |                      |               |       |                     |        |                   |
| VIVA UAB <sup>3</sup>                          | Closed               | Open                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Open      | Open          | Open      | Closed      | Closed       | Open                 | Closed        | Open  | UAB Only            | Closed | Open              |
| Drummond                                       | Open                 | These plans have 3 networks. The primary network is VIVA HEALTH doctors in Alabama. For that network members pay their standard plan cost-sharing. For doctors in Alabama but not in the VIVA HEALTH network, we cover 80% or 90%, depending on the plan. For doctors outside of the state of Alabama, there are copays for some services and others covered at 100% of UCR.                                                                                                                                                                                                                                                                                                                                                                                                                                                           |           |               |           |             |              |                      |               |       |                     |        |                   |
| HSF & UAB Medicine Enterprise (HSFD & UAHS)    | Open<br>(but tiered) | This Plan's tiered provider network includes the physicians associated with the UAB network on Tier 1 and the remainder of the entire VIVA HEALTH (VIVA) network on Tier 2. The UAB network includes all pediatric care for dependents under the age of 18 regardless of whether those dependents receive their pediatric care in the Viva network or the UAB network. The VIVA network includes hospitals and health centers contracted with VIVA HEALTH but outside of UAB. "UAB" means UAB Hospital, UAB Women and Infants Center, UAB Highlands, The Kirklin Clinic of UAB Hospital, UAB Spain Rehabilitation Center, UAB Callahan Eye Hospital, UAB St Vincent's, UAB Medical West, and all UAB satellite clinics.                                                                                                                |           |               |           |             |              |                      |               |       |                     |        |                   |
| UAB Med Enterprise & HSF (HSF2 & UAH2)         | Open<br>(but tiered) | UAB Medicine Enterprise and HSF employees who reside in Huntsville and Montgomery have access to the entire VIVA HEALTH network (UAH2/HSF2 benefit packages- same benefits as UAHS/HSFD but with an open access network) at Tier 1 cost sharing.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |           |               |           |             |              |                      |               |       |                     |        |                   |
| HCAA-RMC (RMCA)                                | Open<br>(but tiered) | "RMC" means Regional Medical Center Anniston, Stringfellow Memorial Hospital, and all RMC satellite clinics. The UAB+ network (Tier 2) includes UAB Hospital, UAB Women & Infants Center, UAB Highlands, The Kirklin Clinic, UAB Medical West, Callahan Eye Hospital, Spain Rehabilitation Center, all UAB satellite clinics, and Children's of Alabama. The VIVA HEALTH network (Tier 3) includes hospitals and health centers contracted with VIVA HEALTH but outside of RMC and UAB.                                                                                                                                                                                                                                                                                                                                                |           |               |           |             |              |                      |               |       |                     |        |                   |
| Triton Health (TRI2)                           | Open<br>(but tiered) | For care delivered outside of Jefferson County, the UAB cost sharing will apply. Inside Jefferson County, UAB cost sharing will apply at UAB Hospital, UAB Women and Infants Center, UAB Highlands, The Kirklin Clinic of UAB Hospital, UAB Medical West, UAB Callahan Eye Hospital, UAB St. Vincent's, UAB Spain Rehabilitation Center, all UAB satellite clinics, and Children's Hospital.                                                                                                                                                                                                                                                                                                                                                                                                                                           |           |               |           |             |              |                      |               |       |                     |        |                   |
| UAB St. Vincent's                              | Open<br>(but tiered) | This Plan's tiered provider network includes the physicians associated with the UAB/UAB St. Vincent's network on Tier 1 and the remainder of the entire VIVA HEALTH (VIVA) network on Tier 2. "UAB/UAB St. Vincent's Network" means University Hospital, UAB Women and Infants Center, UAB Highlands, The Kirklin Clinic, UAB St. Vincent's, UAB Medical West, UAB Callahan Eye Hospital, Spain Rehabilitation Center, and all UAB and UAB St. Vincent's satellite clinics. The UAB and UAB St. Vincent's network includes all pediatric care for dependents under age 18 regardless of whether those dependents receive their pediatric care in the Viva network or the UAB and UAB St. Vincent's network. The VIVA network includes hospitals and health centers contracted with VIVA HEALTH but outside of UAB and B St. Vincent's. |           |               |           |             |              |                      |               |       |                     |        |                   |
| UAB St. Vincent's (UAS2)                       | Open<br>(but tiered) | UAB St. Vincent's employees who reside in Huntsville and Montgomery have access to the entire VIVA HEALTH network (UAS2 benefit package- same benefits as UAS2 but with an open access network) at Tier 1 cost sharing).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |           |               |           |             |              |                      |               |       |                     |        |                   |
| UAB Post-Doctoral                              | Open                 | Needs referral for specialists for subscribers and dependents, except for vision and OB/GYN.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |           |               |           |             |              |                      |               |       |                     |        |                   |

<sup>1</sup>**UAB Medical West:** All providers who admit to UAB Medical West & UAB. UAB means UAB Hospital, UAB Women and Infants Center, UAB Highlands, The Kirklin Clinic of UAB Hospital, UAB Callahan Eye Hospital, UAB Spain Rehabilitation Center, UAB St. Vincent's, and all UAB satellite clinics.

<sup>2</sup>**Montgomery Baptist:** All providers who admit to Baptist. Pediatrics OPEN to UAB, Children's, and The Pediatric Clinic, LLC in Opelika, otherwise it is CLOSED. The Montgomery Baptist network includes Baptist Medical Center East, Baptist Medical Center South, Prattville Baptist Hospital, the Montgomery Cancer Center, and UAB Hospital (including UAB Callahan Eye Hospital, UAB St. Vincent's, UAB Medical West, and The Kirklin Clinic) for inpatient and outpatient care, and the Participating Physicians who admit to these facilities for Physician services.

<sup>3</sup>**VIVA UAB:** All providers who admit to UAB. "UAB" includes UAB Medical West, UAB St. Vincent's and Cooper Green. VIVA UAB members 18 and older may see providers at UAB Medical West, UAB St. Vincent's, or Cooper Green for any service, open or closed, including OB/GYN. Dependents under 18 may use any VIVA HEALTH participating Hospital or Physician and no referral is required to specialist for dependents under 18. No specialty, open or closed, requires a referral from VIVA HEALTH except for Chiro for members 18+.
